[I know you can't bring guns to DC, but is it legal to bring a guillotine? Just asking "theoretically".](#)

I will not be attending as I have responsibilities that won't allow, but I have an academic interest in the subject, as they say.

Does anyone care what you're allowed to have there? If a million people all show up packing heat they won't be able to do anything about it.

You assume you cannot why? It is a Federal piece of land and not a State. We own it. We the people control it. Why do think they tried to create that Law? No guns in DC? Because they think Patriots will just say, oh well. Cannot go to DC armed and have a peaceful protest? OK let's do not go. Why not? Only Traitors wish for Patriots not to show

up peacefully with arms. But this is all academic as you know. How can they stop Millions of Patriots from coming armed and peacefully protesting? That would be a neat trick. Eating Popcorn Emoticon

Could fit it with a rubber blade. Just the symbolism of it would make a point.

I'm carrying a flag instead; if i wasnt i'd maybe go that route though! I was hoping originally to do a combination of a spear and a flagpole

If you have 2 or 3 spears working together you can drop 50 enemies in just a few minutes.
